NEW AND IMPROVED IP65!

Compact Pro™ Round Bay

Simple. Flexible. Budget-Ready.

#1 *Selling High Bay Brand in North America*

The new and improved Compact Pro Round High Bay by Lithonia Lighting® is a budget-ready high bay centered around a simple, dependable design. CPRB combines an IP65 die-cast construction with adjustable lumens, switchable color temperatures, and plug-in sensors for added flexibility. Backed by a trusted brand, this lightweight, compact high bay is optimized for warehouse, light manufacturing, or other high ceiling spaces where cost and simplicity matter.
